NATURE OF INCIDENT: Missing Duluth Man

CASE NO.: 10423208

INCIDENT DATE : 12/14/2010

INCIDENT TIME:

INCIDENT LOCATION: Lakeside Neighborhood

SUBJECT: Police Seeking Assistance Finding Missing Duluth Man

BY: Lt. Kerry Kolodge

The Duluth Police Department is asking for the public's help in locating a missing Duluth man, who may be endangered.

Scott Michael Tridgell, age 26, of Duluth was reported missing by his Family on December 14, 2010. Family members said Tridgell left his residence in Duluth on the morning of December 13, 2010, leaving a note that he was going to a job interview. He has not been seen or heard from since that date.

Tridgell suffers from a form of amnesia which limits his ability to recall important details regarding his personal life, such as where he lives or where he has been. In 2007, Tridgell was listed as a missing person by the Edina, Minnesota Police Department after he failed to show up at his residence in that City. He was located three weeks later by police at a rest stop in Menominee, Wisconsin. He had no ties to that City. Tridgell had traveled all over the U.S. in those three weeks. At that time, Tridgell was dehydrated and in poor physical condition. He moved home to Duluth after that incident.

Tridgell is described as a white male, age 26, 5'10", 165#, blue eyes, blonde hair. Tridgell may be driving a 1996 black Toyota Tacoma pick-up, Minnesota license number **672-DTY**. The vehicle lists to his Father, Gary Tridgell. The vehicle has severe hail damage.

At this time, there is no indication that foul play is involved. Tridgell has been entered into the NCIC database as a missing person.

Anyone having information regarding the whereabouts of Scott Tridgell, is asked to contact the Duluth Police Department at 218-730-5400, or call 911.
